### **PreveCeutical Announces Patent Cooperation Treaty (“PCT”) Application**

**Vancouver, British Columbia: PreveCeutical Medical Inc. (the “Company” or “PreveCeutical”)** (CSE: PREV, OTCQB: PRVCF, FSE: 18H), is pleased to announce that the two Australian provisional applications entitled, “A Cyclic Peptide”, which were filed last year by The University of Queensland, Australia (“UQ”) have recently been combined into a single PCT application which was filed a year after the earlier priority date. This PCT application, jointly owned by UQ and PreveCeutical, was filed on January 24, 2020, with application number PCT/AU2020/050049, with the aim of seeking protection for certain cyclic peptides and their use in pain management.

PreveCeutical’s President and Chief Science Officer, Dr. Mak Jawadekar stated, *“We are very pleased that the research collaboration with UQ has led to this patent application. This is intended to provide PreveCeutical with the protection required to secure its intellectual property (“IP”) as we continue the development of our pain management therapeutic products.”*

***Forward-Looking Statements:***

This news release contains forward-looking statements and forward-looking information (collectively, “forward-looking statements”) within the meaning of applicable Canadian and U.S. securities legislation, including the United States Private Securities Litigation Reform Act of 1995. All statements in this news release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations and orientations regarding the future including, without limitation, the applying for any patent(s), being granted any patent(s), and the continued research interests of PreveCeutical, PreveCeutical’s anticipated business plans, and its prospects of success in executing its proposed plans. Often, but not always, forward-looking statements can be identified by words such as “will”, “pro forma”, “plans”, “expects”, “may”, “should”, “budget”, “schedules”, “estimates”, “forecasts”, “intends”, “anticipates”, “believes”, “potential”, “proposes” or variations of such words including negative variations thereof and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Forward-looking statements are based on certain assumptions regarding PreveCeutical, including expected growth, results of operations, including PreveCeutical’s research and development activities, performance, industry trends, growth opportunities, and that PreveCeutical will be able to obtain the financing required to carry out its planned future activities, retain and attract qualified research personnel and obtain and/or maintain the necessary intellectual property rights needed to carry out future business activities.

Actual results could differ from those projected in any forward-looking statements due to numerous factors including, risks and uncertainties relating to: complexities and delays in connection with research and development activities and the actual results of research and development activities including the acceptance of any patent applications and the granting of the patents thereunder; the ability of PreveCeutical to, among other things, protect its respective intellectual property, obtain any required governmental, regulatory or stock exchange approvals, permits, consents or authorizations required, including Canadian Securities Exchange acceptance of any planned future activities; and the ability of PreveCeutical to commercialize products, pursue business partnerships, complete their research programs as planned, and obtain the financing required to carry out their planned future activities. Other factors such as general economic, market or business conditions or changes in laws, regulations and policies affecting the biotechnology or pharmaceutical industry may also adversely affect the future results or performance of PreveCeutical. These forward-looking statements are made as of the date of this news release and, unless required by applicable law, PreveCeutical assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those projected in these forward-looking statements. Although PreveCeutical believes that the statements, beliefs, plans, expectations, and intentions contained in this news release are reasonable, there can be no assurance that those statements, beliefs, plans, expectations, or intentions will prove to be accurate. Readers should consider all of the information set forth herein and should also refer to other periodic reports provided by PreveCeutical from time-to-time. These reports and PreveCeutical’s filings are available at [www.sedar.com](http://www.sedar.com). Neither the Canadian Securities Exchange (CSE or CNSX Markets), nor its Regulation Services Provider (as that term is defined in policies of the CSE), or any other regulatory authority accepts responsibility for the adequacy or accuracy of this release.

Readers are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly, are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements.

This news release is for informational purposes only and does not constitute an offer to sell or a solicitation of an offer to buy any of the securities described herein in the Canada, United States, or any other jurisdiction. The securities of the Company have not been registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities law and may not be offered or sold in the “United States”, as such term is defined in Regulation S promulgated under the U.S. Securities Act, unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration requirements is available.
